

Dear FCC:

I am sending my comment in regard to Docket 02-277 concerning Ownership Rules of our public airwaves. I am deeply opposed to any further deregulation of ownership of our public airwaves! I urge you, DO NOT eliminate the ban on cross-ownership of local media. DO NOT allow a single company to own media combinations that reach more than 35% of U.S. households. Preserve the public trust and ownership of our airwaves, a national asset, not a corporate monopoly!

Sincerely,

Dan McRoberts
